THIS SECTION OF THE BOOK TELLS THE READER HOW THE POWER RING OF FALCON CAME INTO BEING. WHO THE "ALIEN" IS AND FROM WHERE.

I AM ALIANA AND I COME FROM A PLANET FAR AWAY FROM THIS PLANET (THUNDARR) - I CAME TO DELIVER THIS RING....

...TO A RIGHTEOUS INDIVIDUAL WHO WILL USE IT WISELY TO STOP AND DEFEAT EVIL THINGS.

Falcon - the protector of good, the destroyer of evil and the defender of TRUTH. Faro Faros finds the power ring which makes him FALCON THE THIRD. Original Episode were hand drawn back in January 20th 1991.

FALCON I was drawn in the winter of 1990. It was an inspiration from the cartoon series GALAXY RANGERS and the main character was based on Shane Gooseman. The entire episode was destroyed by the artist after a fit rage initiated by his father and his forced equation of "counting rice" dilemma on the artist at a very young age (12 yr).

Falcon comics started off when I drew my very first episode (now lost) where the power of Falcon arrives in planet Thundarr from space. The FALCON I was Chan Gooz Mon, he is not related to FALCON II or FALCON III. He was a craftsman who would make crafts to earn a living. He was the first FALCON to receive the Ring of Power directly from the Alien of Power Ring.

The Alien is yet to reveal which or what planet she originates from and why the Ring of Falcon was sent to Planet Thundarr.

THE RESPONSIBILITY OF THIS RING OF POWER IS FOR THAT INDIVIDUAL WHO IS TRUE OF HEART AND PURE OF MIND. OTHERWISE THE RING HAS NO POWER.

THIS SECTION OF THE BOOK TELLS THE READER THAT THE LIVING BEINGS OF PLANET THUNDARR HAS A DIETY, A GODDESS OF WILL AND LIFE.

TERRATRIC THE GODDESS OF THUNDARR

TERRATRIC - the Goddess of Planet Thundarr, the creator of good & evil and the SUPREME BEING that all inhabitants of Planet Thundarr MUST worship and bow down to - it is said the Power Ring of Falcon itself had originate on the head of TERRATRIC that is why it possesses such Migty Power!

It is from the Goddess TERRATRIC that the power of Falcon arrives in planet Thundarr from space, or the throne of TERRATRIC. The FALCON 1st was named Chan Gooz Mon, he is not related to FALCON II or FALCON III. He was a craftsman who would make crafts to earn a living. He was the first FALCON to receive the Ring of Power directly from the Alien who was actually an Angle of TERRATRIC. That would make Chan Gooz Mon a prophet of Power Ring.

The Alien is yet to reveal where she has originated from and why the Ring of Falcon was sent by TERRATRIC to an inhabitant of Planet Thundarr.

THIS SECTION OF THE BOOK TELLS THE READER HOW THE EGG-CREATURES CAME ITO BE AND WHO IS CLARA AND DR DEEDS.

egg-creatures & mother

79.03 113 #035 07 *09073

Egg-Creatures are a genetic creation of a mis-fit scientist named Dr Deeds. The scientist was successfull in incubating a life formula, which he formulated himself, and was ablet to inject it in the rectum of a girl name Clara. Clara is genetically unique as she never got sick in her whole life and also her saliva contains traces of living organisms that are capable of generating life forms. Her rectum showed the most presence of that organism hence Dr Deeds took full advantage of it.

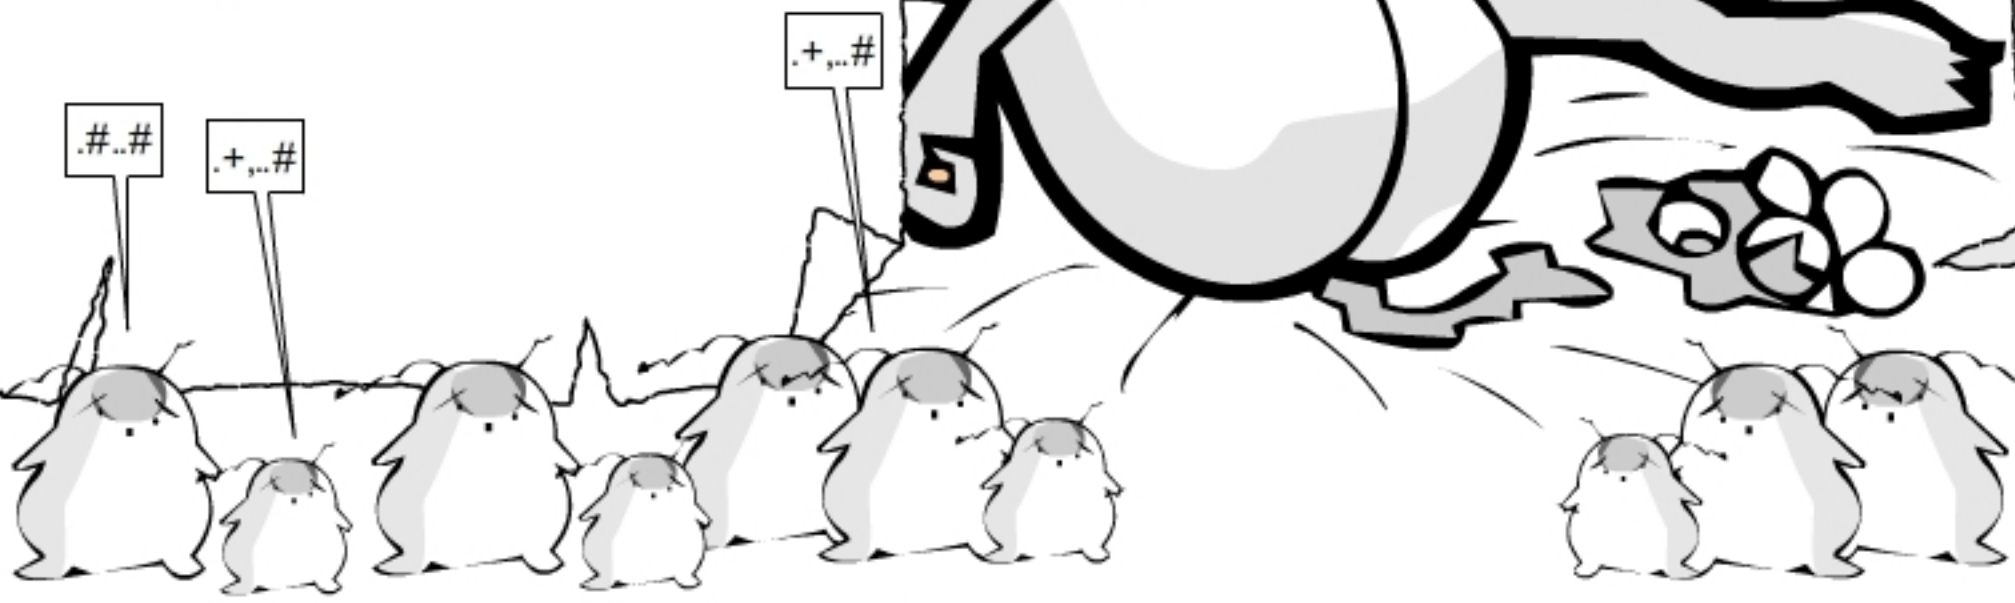

Dr Deeds was caught by the law enforcement agency DEC (defence enforcement center) and sentenced to a life-term for his involvement in illegal genetic practices and generating banned life-forms which has turned into pests like rats and mosquitose.

Clara was not charged and she remains "missing" ever since the Doctor's arrest and persecution. Clara is said to have powers over her Egg-Creatures who always obey her every command. The power of the pest are in her hands literally. They came from the smallest of holes and can fit in the smallest of holes anywhere and do wonders!

my o my! this is fantastic Dr Deeds did it! I mean its amazing...first the laying of my eggs and now life! he is a true genius. A scientist worthy of having his name in the HALL OF FAMES! hehehehe

They are so cute and cuddly! I wish I could eat them but they smell like my poo! hahahaha...this is so much fun also! I wonder what they are saying though....

THIS SECTION OF THE BOOK TELLS THE READER OF HOW PLANET THUNDARR HAS ITS FAIR SHARE OF "SUPER-HERO"

super-hero & heroine

ᐅᐅᐅᐅᐅ ᐅᐅᐅᐅ ᐅᐅᐅᐅᐅᐅ ᐅᐅᐅᐅᐅᐅ

Falcon is not a hero who wears his red or orange underwear over his costume!

Falcon is not a hero trying to fool any dumb readers into believing that a disguise such as Superman or He-man "works" for real. Falcon does not underestimate the level of intelligence of any reader.

Falcon does not censor real emotions and real life scenarios including peeing, shitting and sexing!

Falcon does not censor gore or bloody situations.

Falcon comic tries to avoid drawing awkward poses which look fake and unhuman after some time.

Falcon comic is not biased towards race, religion or creed.

Planet Thundarr has only one goddess, religion and race.
